## Rape Crisis Centers and Transition Houses in Greater Vancouver

*You can call these groups if you've been attacked and/or need a safe place to stay while you decide what to do next. Most of the groups have a 24 hour crisis line and you won't be refused shelter because you have no money. You may call the houses listed here and make arrangements to stay. These groups either organize against male violence against women, or they will help you get in touch with groups that do.*
